

**Request For Proposals for**

**Single-Family Residential Curbside Recycling**

**Collection Services**

**RFP #11-1045**

The purpose of this Request for Proposals (RFP) is to invite interested Proponents to prepare and submit competitive Proposals for the Collection of common Recyclable Materials for all single-family dwellings as well as townhouses or other buildings currently receiving individual solid waste collection services from the City of Saskatoon.

The basic responsibilities of the Proponent are summarized as follows:

- Provide, deliver, and maintain for the duration of the Agreement suitable Recycling Container(s) for all Serviced Units.
- Provide Collection services to all identified residential properties including approximately 66,000 residences, primarily consisting of single family dwellings but also some townhouses or other buildings currently receiving individual solid waste collection services within the City of Saskatoon. Collection to occur on a minimum semi-monthly basis and be appropriately coordinated with garbage collection days.
- Transporting collected Recyclable Materials to a designated Processing facility.
- Provide ongoing customer service to residents as the main point of contact for customers utilizing the city-wide curbside recycling service.
- Educate and provide outreach services in collaboration with the City and Processor.
- Undertake regular monitoring and reporting to the City.
